Surgery for Indy

Hit by a car!

Independence (Indy for short!) was hit by a car on I-285 on Saturday, July 3rd, and is lucky to be alive. Canine Pet Rescue was called in by Dekalb County AC, and she was rushed to the vet.

This poor girl has a skull fracture, hind leg fracture and multiple lacerations. She had surgery on Monday to repair her fractured femur. A rod and pins were put in, her surgery lasted almost 2 hours and she is now wearing her brace!. The outcome seems to be good and she is showing improvement already. Throughout it all, Indy has remained calm and sweet. She is very affectionate and relishes all the attention she is getting.
