

Please help Sammers

Funds Needed: \$7,800

Raised to Date: \$440

Sammer's family was gone for less than an hour and came home to a tragic scene.....one of their other dogs had attacked Sammers who is now blind and diabetic.

Sammers is healing but it is coming at a huge cost and they still may need to perform another surgery. He has already had 3 surgeries!

Sammers originally came from a rescue and needs all of us to help save him one more time. The bond between Sammers and his family is amazing.

Please, if you can help Sammers, you can send a donation directly to his vet and mark it "Sammers":
